## PUBLIC NOTICE

All Members and Residents of Standing Rock Sioux Tribe;

I am asking for your support and efforts to fight the COVID-19 pandemic. I urge you to take the coronavirus crisis seriously and continue to practice personal responsibility in your homes and communities. We need your support and effort to help protect our loved ones by encouraging practices or we will see the numbers of COVID cases increase.

COVID is a fast spreading virus without a cure at this time; therefore, repeated efforts in;

1. Social Distancing practices has proven to slow the spread.
2. Shop locally to lower your chances of being exposed in higher positive case counties (Bis-Man)
3. Hand washing is a simple and proven way to slow spreading of the virus.

Working together will help Standing Rock members and residents stay safe and keep our numbers lower than all other surrounding areas. We can win this battle and be successful ONLY WITH YOUR HELP and practicing new habits, your efforts in complying is encouraged at this critical time.

Mike Faith, Chairman
