RE: NATIVE, Inc./NDIYLA (June 13 – June 18, 2021)

Child's name

The ND Indian Youth Leadership Academy and United Tribes Technical College take the safety of your child seriously. Numerous measures remain in place on campus to decrease the potential for exposure to COVID-19. This includes mask wearing while in any of the campus buildings, social distancing and frequent hand sanitizing.

For the protection and safety of all participants at the Leadership Academy, any participant who exhibits symptoms suggestive of COVID-19 while attending the Leadership Academy will have a rapid antigen covid test completed. Rapid Antigen testing will be available on campus using a nasal swab. The results of any Rapid Antigen testing completed will be forwarded to the parent or guardian, as well as to the Academy coordinators.

In the event that a positive covid test result is obtained, the individual who tested positive will be asked to isolate immediately. Family will be contacted to arrange for transportation home as soon as possible. All other attendees who may have been in close proximity with the individual who tested positive will be assessed to determine if they are considered to be close contacts. If they are determined to be close contacts, these individuals will be asked to quarantine per CDC guidance on close contacts.

As the parent or guardian, I understand that I will be notified if my child is symptomatic and requires covid testing to be completed.

I understand that I will be provided with the test results for my child, regardless of if the test results are positive or negative.

I understand that my child will be expected to follow all COVID-19 safety guidelines required by UTTC, including mask wearing, social/physical distancing, and hand sanitizing.

I understand that my child will be required to follow UTTC protocols for isolation and testing in the event that my child develops symptoms suggestive of COVID-19.

For questions or concerns related to COVID-19 protocols, please contact UTTC Student Health at 701-221-1331.
